

4. detsembril 2018. aastal tutvustasime Erasmus+ projekti "Read to Animate" ja selle tegevusalasid avalikkusele. Osalesid koolikogukond ja mõned huvitatud lapsevanemad. Rääkisime projekti eesmärkidest ja eesootavast tööst ning imelisest ja töökast reisist Portugali partnerite juurde, kes on meie projekti eestvedajad.

*Our project students introduced the Erasmus+ project "Read to Animate" and its activities to the public. Among participants were people from our school community and some parents of our students. The presentation was about our project goals and ideas as well as our amazing work visit to Portuguese partners who at the same time are the leading link of our project.*
